Title: Problem Beaver Control Policy

POLICY NO.

RESOLUTION NO. 2026-319

YEAR: 2026

Purpose:

The Purpose of this Policy is to establish guidelines and conditions for the removal of problem beavers in the Municipality.

Beaver Control on Municipal Drains and Ditches:

The RM of Grahamdale is responsible for beaver control only on municipal drains and road ditches.

Compensation:

The RM of Grahamdale will hire registered Trappers for the removal of problem beavers. Rate paid will be \$150.00 per beaver.

Trapper is responsible for obtaining Kill Permit from Manitoba Conservation.

Site locations and Trappers are to be authorized by the RM Public Works Manager.

Trappers are to submit written invoices itemizing the number of beavers removed and the site locations. RM Public Works Manager is to be provided with proof confirming the number of beavers removed.

Beaver Control on Private Property:

The RM of Grahamdale is not responsible for beaver control on private property. That is the responsibility of the land owner.
